# 'Autumn Soon' at CARDHU.

Yeah, we know, it's a bit premature to launch the new season, but the stock has started to arrive early, and we love it! The summer, (what summer we hear you say?) It's not been the best weather wise, but it was great to feel a buzz and energy in town for The Open. It was lovely to welcome visitors from across the world into the store and a massive congratulations to this year's champion, Xander Schauffele.

The colours and scents of a new season are always to be recognised and we have plenty to choose from that will be ideal for your home or a gift for someone special. Our 'Pumpkin Spice' cushion and throw will add some luxury to a living area in your home. We've recently welcomed the Pott candle range - the unique range has a stunning scent collection, our favourite is 'Jardin' - wait until you smell them! They're also refillable so once you're out, (which is likely to be fast) you can pop in and get the refill - easy! Our popular 'Star' tops have arrived back in-store too, they are very popular and are likely to go fast, so don't wait too long. We also have an abundance of floral stems that will add some colour to your home - checkout the Fig and Olive Hydrangea and Flock Thistle. Finally, we have fallen in love with the 'Cosy Cottage' range we have; with so many styles and sizes that boast so much character.

This September we celebrate our 10<sup>th</sup> Birthday and will be celebrating in style to say a massive thanks to all our incredible customers for all their support during what has been such a special time.

Also, keep your eyes peeled for information on our 'Facebook LIVE' sessions that will return in September.

Here's to a great season ahead and we look forward to welcoming you all in-store soon.
